Application for Extension of Service Area)

7. I have worked closely with Mark Wrigley since he purchased Wyboo in 2001. I believe he was led to believe at the time of purchase that all the areas in and around Wyboo Plantation were included as part of Wyboo's service area.

8.

9. Since At the time Mark Wrigley bought Wyboo, it was ehas interests similar to the Petitioner. The Bank of Clarendon's perception was that all areas in and around Wyboo Plantation were included in the service area. The Bank of Clarendon has constructed a new building in an area already receiving service from Wyboo; therefore, it had no reason to question Wyboo's service area. Without Commission approval of Wyboo's Application, the Bank of Clarendon, like the Petitioner, will not have a provider of water and sewer service.

10. I believe it is in the best interest of the public, Wyboo, Wyboo's existing customers, and property owners in and around Wyboo Plantation, that the Commission approve the service areas as requested in Wyboo's Application.

FURTHER AFFIANT SAYETH NOT.
